Business Portrait Information Guide

First Impression

It's been said, "You never have a second chance to make a good first impression". If your business portrait is on your card, web site, brochure, etc., chances are that's the first impression people will have of you. At Oliver Photography we help business professionals make a great first impression.

Portrait Experience

The process is simple and painless. First, we do not limit the number of photographs taken. Second, you view your photographs immediately following the business portrait session. Third, you select your favorite business portrait and watch with amazement as the retouching begins! Finally, your finished business portrait is delivered in less than an hour. The image can be used for all of your business portrait needs and "You'll look better than you've never looked!"

- ▶ No limit on the number of photographs taken.
- ▶ Quick easy system to help you select your favorite poses(s).
- ▶ Your new business portrait in less than an hour.
